On September 14, 1998, 4:30 P.M. a phone call was received from [REDACTED]
[REDACTED] in which she reported the following incident to us:

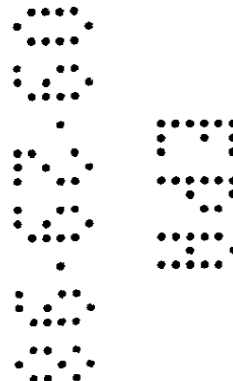

[REDACTED] purchased a 4 ounce container of Sweeney's Poison Peanuts, EPA Reg. No. 30-25 at Home Depot, Norman, Oklahoma on September 1, 1998. Later, when preparing to bait a gopher hole, vapor inside the container apparently ignited. [REDACTED] did not mention any injuries to herself except that she experienced chest pains lasting 3 hours which she associated with the incident. After 3 hours the pain went away and she said she is alright now.

Because of the above we are submitting this 6(a)(2) report.

Sincerely,

Robert M. Sweeney
